Before and After School Enrichment (BASE)

The BASE Program serves elementary students beginning at 5 years of age. BASE is an extracurricular, optional, fee-based program. Space is limited and there is often a list of families waiting for an opportunity to enroll in BASE.

Students in the BASE Program engage in a wide variety of activities and choices providing students with opportunities to create, learn and grow through arts, physical activity and academic enrichment activities during out of school time. All BASE activities allow students opportunities critical to their social emotional development. For more information about our school's BASE program, contact the BASE Site Director at 720-972-5537 or <https://mountain.adams12.org/base-program>. For more information about the District's BASE programs, please visit the following [link](#).

Bicycles and Scooters

Students riding a bike or scooter to school must take it directly to the specified bike rack area and leave it there until the student is ready to return home. For safety reasons, students are not permitted to ride their bike/scooter on school grounds. They must walk their bike/scooter to the designated bike rack area once they arrive at school. A lock is required to be used to secure bikes and scooters to the bike rack. Bicycles and scooters will not be guarded by the school at any time, so it is the student's responsibility to lock the bike/scooter up safely.

Birthdays and Celebrations

In support of the District's Policy on School Wellness, we strive to help our students make healthy lifestyle choices. Simple steps can help children continue making healthier choices as adults. In addition to healthier lunch choices and increased physical activity during our school day, we have implemented a "Non-food birthday treats" policy. Classroom teachers will share their non-food birthday celebration information with parents. We appreciate your support in this matter!

Birthday Invitations

We understand that school is the easiest place to distribute birthday invitations; however, doing so can cause many hurt feelings which disrupt the learning environment. Please have students pass out any party invitations after school is dismissed.

Communication

- Our weekly newsletter comes out every Friday via Campus Messenger. You can also access our newsletter on the Mountain View webpage. Important information will be updated on the grade level website each month.
- Your child will have a Friday Folder. Please check this folder each week for important information from the teacher and the school.
- Visit Mountain View's web page at <https://mountain.adams12.org>

- Participate in any of the opportunities for parents, including PTO. The PTO website can be found at <https://sites.google.com/site/mvesptobroomfield/home>.
- Auto-dialer calls and emails to home are periodically sent with important reminders and information.

Students will not be allowed to use the office phone to make after school social arrangements. Students will be allowed to use the phone only in the following situations:

- When requested by their teacher
- When requested by an administrator
- When requested by the health aide, nurse or office staff

School office staff will only deliver emergency messages to students. Please assist us by making arrangements for after school pick-up and daycare prior to your child leaving for school in the morning. Response to parent phone calls/emails will be made within one business day.

Communication with your student's teacher

Consider your child's teacher as the first line of communication. Your child's teacher knows your child better than anyone in the school and has information regarding what happens during the school day. Parents are invited to 'Meet the Teacher' night at the beginning of the school year to receive important information and meet the teacher. We encourage you to bring your child to this event. Every teacher has an individual system through which they communicate with parents, including Friday Folders, student planners, journals, email and/or voice mail. Please make sure you understand how this works in your child's classroom. Two parent-teacher conferences are scheduled during the school year. If a parent needs more information between conference times, teachers may schedule individual conferences

Although teachers have telephones located in their classrooms, they have been directed to keep their ringers turned off during instructional time. If you want to reach your child's teacher, you may do the following:

- Call the classroom teacher and leave a voicemail. Teachers have been asked to check voicemail before and after school, and over their lunch break.
- You may call the office, and they will deliver messages to your student's teacher at the end of the day.
- You may call the classroom teacher before or after school.

You may also reach your student's teacher via email. Your student's teacher will provide you with the teacher's email address, and you may email them at your convenience. You may expect to hear back from them within one business day.

Early Departure/Late Arrival

Students who must leave school during regular school hours must be signed out through the office by a parent or legal guardian. A student may not be dismissed from their classroom until someone has signed the student out. Students cannot be released to leave school alone. Students are involved in instruction until the end of the school day.

We request that you do not pick your students up early unless it is extremely necessary. Students who arrive late to school must check in at the office. If the student arrives after 8:05am., a parent/guardian must sign them in at the front desk.

Field Trips

Field trips to nearby points of interest may be scheduled by various classroom teachers throughout the school year. These trips are designed to supplement different aspects of the classroom curriculum and to introduce students to resources within the community. Parents will receive notice of scheduled field trips well in advance.

Parents must sign a permission form for all field trips. Students without a permission slip will not be allowed to accompany their class on the field trip.

Inclement Weather/School Closure

Information on emergency school closures due to severe overnight storms or other emergency situations is available on local television stations. Please listen for announcements concerning Adams 12 Five Star Schools. Information on closures may also be obtained by calling the District information number at 720-972-4000, then press 7 for school closure information or check the District website: www.adams12.org. Please note that school is rarely canceled.

Indoor Recess will be called if:

- snow, rain or sleet is falling
- temperature with the wind chill is 20 degrees or less
- playground conditions are poor (mud, snow or standing water)

Students must be prepared for all types of weather. They should bring warm coats, gloves or mittens, hats, weatherproof footwear and an extra pair of shoes for PE.

Lost and Found/Valuables at School

If your child misplaces an item, we encourage you to look in the lost and found by the main office. Often it is difficult to identify what they have lost. Please label coats, jackets, mittens, etc. Remaining articles are donated to a local charity several times a year.

We highly discourage students from bringing valuables and toys to school. Items having value for one individual usually have an attractive appeal for others and unfortunately sometimes disappear. The school cannot be responsible for these items. Teachers may have a special celebration which allows students to bring in a favorite game, stuffed animal, etc. but please remember, at no time is it appropriate for students to bring toy guns, toy knives, or toy weapons of any kind.

Pets on School Property

In an effort to keep our school feeling safe for all students and families and in accordance with District Policy, only service animals are permitted on school property. We ask that all other pets remain off school grounds during school hours. We appreciate your cooperation with this request.

Reporting Student Progress

Your student's progress will be reported at individual parent conferences at least twice a year. Report cards are sent home at the end of each grading period. Academic progress can also be found via the Infinite Campus Parent Portal.

Safety Information

Your child's safety is of utmost importance to us. It is imperative that students are dropped off no earlier than 7:55a.m. and picked up at 3:00p.m. (1:45pm on Wednesdays). Adult supervision is only available 10 minutes before and after these times.

Student Safety- Please help us keep students safe: They are to respect the rights and property of all people in the neighborhood. Trespassing and the destruction of property will be reported to the police. Students are to stay on the sidewalk when walking and in streets when on bicycles.

- Remind your child to use sidewalks and crosswalks.
- Drop off and pick up of students is on Perry Street in front of the school on the west side of the street – Please stay in your car if you use this “Hug and Go Lane” on the west side of Perry street. Please do not pull into the staff lot or the bus lane before or after school. Please be aware that there are a number of designated no parking areas marked by a yellow curb on the east side of the street in order to keep our crosswalks safer.

On Arlington Ave., just off of Forest View Street – Please pull into a parking spot and let your child out in the parking spaces provided. If the parking spots are all occupied, please have your child get out on the passenger side only so they can safely proceed to the sidewalk in the loop. The parking spaces are only for drop-off and pick-up so please do not leave your car unattended.

School Security System - In our ongoing efforts to provide the safest and most secure environment for our students, an additional security measure has been installed, which requires the following safety measures.

- ALL exterior doors will be locked at all times.
- Please do not open the door or hold the door open for others.
- In order to enter the building, you will need to press the doorbell located in the main entrance corridor to the right on the brick wall.
- An office member will release the doors, allowing access to the building.
- Once entering the building, ALL visitors must check in at the office, show ID, and obtain a visitor pass.
- If you would like to wait with your child before school or wait for your child after school, you will need to wait outside.

Visitor/Parent Check-In

District Policy requires that all parents and visitors must present a drivers license/I.D. at the front desk and sign in at the office upon entering the building. Your license will be scanned through our Raptor system and a visitor's badge/sticker will be provided. You will be asked to wear a visitor's badge/sticker at all times.

If you would like to spend time with a teacher, please call and make arrangements prior to visiting. Also, if anyone other than a parent or legal guardian will be visiting the school (such as a grandparent coming for lunch) you must call the office ahead of time to let us know.
