This just in...

Dear Families,
We hope that you all enjoyed a restful and fun spring break. The following is a short overview of the learning that we are doing this month.

In literacy, students are working on reading scripts and performing skits based on these scripts. Students will also be writing persuasive essays.

We are currently finishing up unit 6 in math, which focuses on division concepts. We will begin unit 7 soon, and this unit focuses on multiplying fractions, mixed numbers, and decimals by whole numbers.

In social studies, students are learning about reasons people came out and settled in Colorado and all the changes this brought about to the land and people.

In science, we will begin a unit on the structures and functions of organisms.

Date: April 2, 2021

CMAS Update:

A recent ruling has reduced the amount of testing that we have to do! Fourth grade will now only have to take the math portion of the CMAS test. **The NEW dates and times are:**

Monday, April 19th 1 - 3 P.M.

Tuesday, April 20th 1 - 3 P.M.

Thursday, April 22nd 1 - 3 P.M.

We are beginning to do some practicing to familiarize students with the types of questions, the format of the test and how to enter answers

Important Dates:

Tues. 4/6-PTO Meeting 6:30 - 7:30

Tues. 4/13-Class and individual pictures; **also** Papa Johns Dine-Out Night 11 A.M.-9 P.M.
