## SEPTEMBER

### A note from your teachers

Dear 4<sup>th</sup> Grade Families,  
 Welcome back to school! We loved meeting all of our families at the Meet Your Teacher Nights at school. We are grateful for your patience and your participation during this unprecedented start to the school year. To say that we are proud of our students and what they've accomplished so far in the first couple of weeks of school would be an understatement. They are amazing in every way and we are beyond impressed. Lucky us!! Thank you, families, for all that you do!

### How to contact us

We welcome and value parent involvement throughout the year. We would love to hear from you, and you are welcome to contact us with any questions, comments, or concerns you may have.

### Reminders

Our remote learning experience requires a lot of planning and preparation for all involved. Please try to view the daily schedule before our morning Zoom meetings begin, and have all of the necessary supplies accessible for your child in their learning space. Students need to remember to stay hydrated throughout the day, just as they would in a classroom, and of course, wash those hands! :)
