

OUR CLASS Newsletter

NOVEMBER

From:
Mountain View
4th Grade
Team

Date: Nov. 6, 2020

This just in...

What we are learning this month:

Math

- multiplication, including factors, factor pairs, multiples, prime and composite numbers
- time - converting between hours, minutes, and seconds
- geometry - classifying triangles and quadrilaterals
- line symmetry and patterns

Reading

- specific details of non-fiction text
- main idea and theme
- read-alouds, reading groups

Writing

- informational essay
- opinion essay

Science

- Rocks and Minerals

Social Studies

- economics
- personal literacy

We will be introducing “passion projects” to the students very soon. They will conduct research on a topic of their choosing and create a product to show their learning.

We will not have fall parent-teacher conferences this year. Instead, you will receive an email by November 13th communicating your child’s strengths and needs that we have seen so far.

Have a very happy Thanksgiving, everyone!
Enjoy some well-deserved time off!

Important Dates:
