

OUR CLASS Newsletter

OCTOBER

From:
Mountain View
4th-grade
Teaching Team

Date: October 2, 2020

This just in...

What we are learning this month:

Math

- place value and rounding
- line plots
- traditional addition and subtraction methods
- story problems
- geometry

Reading

- poetry and elements of poetry
- theme
- main idea and details

Writing

- using complete sentences
- parts of speech
- Paragraph of the Week
- spelling lists will start

Science

- energy

Social Studies

- government
- economics
- personal finance

We will be using a combination of the Florida Virtual School curriculum and the Adams 12 fourth grade units of study.

We are very happy to be back to in-person learning at Mountain View! The students have been doing very well abiding by all the new safety protocols. We thank all of our families, too, for following our new safety measures and for your patience and understanding as we navigate these uncharted and often confusing waters.

Kudos to Ms. Kamidoi, who has volunteered to continue on supporting our remote learners.

Important Dates:

October 6 - PTO meeting 6:30 PM

October 13 - school pictures

October 13 - PTO Dine out Night
at Original Pizza

October 20 - PTO Dine out Night
at Pho 78
