

OUR CLASS Newsletter

MARCH

From:
Fourth Grade,
Mountain View
Elementary

This just in...

What we are learning this month:

MATH: Multiplication and Division

READING: March Book Madness and Script to Stage Plays.

WRITING: Finishing research writing, beginning Persuasive

SOCIAL STUDIES: Gold Rush, Mining

SCIENCE: We are starting Science again after Spring Break

Date:

Announcements:

It looks extremely likely that we will be taking CMAS this year. Reading will happen 4/6-8. Math is 4/13-15. The test will all be on school Chromebooks, not personal devices.

Please continue to have your child charge their computer overnight.

We will start practicing how to take the CMAS, as our students did not take it last year. We want to familiarize them with features of the test.

Important Dates:

Spring Break: 3/22 through the 29th. School resumes Tuesday, March 30th.
